

Divyanshu Clothing Private Limited

Annual Sales Performance Report – 2025

Prepared by: Anurag Kumar Poddar (Excel Dashboard Project)

1. Executive Summary

The purpose of this report is to analyze the sales performance of **Divyanshu Clothing Private Limited during the year 2025** and provide actionable insights that can help the company improve its business performance and increase sales in 2026.

Using Microsoft Excel, the company's sales data was cleaned, transformed, and analyzed through Pivot Tables, Pivot Charts, and an Interactive Dashboard. The analysis focuses on customer behavior, sales trends, product performance, demographics, geographical distribution, and sales channels.

The findings indicate that **women customers, especially adults aged 30–49 years, are the primary revenue drivers of the business**. Additionally, the majority of sales are generated from major e-commerce platforms such as **Amazon, Flipkart, and Myntra**, with **Maharashtra, Karnataka, and Uttar Pradesh** contributing the highest sales.

2. Business Objective

The primary objective of this project is:

To prepare the Annual Sales Report for 2025 so that Divyanshu Clothing Private Limited can better understand its customers and develop data-driven strategies to increase sales and profitability in 2026.
